This completes the list as far as drawn. We were under the impression that all registrants in this county had been drawn, but such is not the case. There are 1,000 registrants, and 944 have been drawn, leaving 56 not drawn. Registrants who were not in the first call and whose names do not appear in the lists published in this issue and in last week's paper, will thereby know that they are of the number not drawn, and when drawn in the future will come after 944.

ASK ANYONE WHO HAS USED IT.

There are families who always aim to keep a bottle of Chamberlain's Colic and Diarrhoea Remedy in the house for use in case it is needed, and find that it is not only a good investment but saves them no end of suffering. As to its reliability, ask anyone who has used it.

Does Your Back Ache?

It is usually a sign of sick kidneys, especially if the kidney action is disordered, passages scanty or too frequent. Don't wait for more serious troubles. Begin using Doan's Kidney Pills. Read this East Las Vegas testimony.

H. C. Leahy, locomotive fireman, 225 Railroad Ave., East Las Vegas, N. Mex., says: "My back and kidneys gave me a great deal of trouble. Nothing helped me until I used Doan's Kidney Pills. They took away the pains in my back and put me in good shape again. Those who follow railroad work are often subject to kidney ailments. The jolting of the train is bad and one doing this work needs a strong back. I am glad that I know of Doan's Kidney Pills, as they can be depended upon to always give relief."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Leahy used. Foster-Milburn Co., Props., Buffalo, N. Y.

COMMISSIONERS' PROCEEDINGS

At a special session of the board of county commissioners held July 26, action was taken in matters as follows:

Returns of the election in the village of Mountainair were canvassed. It was found that 21 votes were cast and that officers were elected as follows: W. R. Orme, mayor; P. A. Speckmann, clerk; J. A. Copeland, C. J. Amble, B. L. Mitchell and Clem Shaffer trustees.

The resolution heretofore passed favoring the reduction of taxes on the M. C. R'y on condition that the road be put in good order, was rescinded for the reason that the board has no assurance that the condition will be fulfilled.

In regard to the resolution of the New Mexico Horse and Cattle Growers' Association in the matter of predatory animals, which is directed toward having the boards of county commissioners in the various counties make the necessary tax levies to pay all legitimate bounty claims, resolution endorsed by this board.

Estimate of funds necessary for the maintenance of schools in District No. 7 presented and approved.

Petition of C. R. Dean for reduction of taxes on improvements on government land rejected. Clerk directed to draw warrant for \$13.88 out of the county special fund and \$113.73 out of the state loan fund in favor of state treasurer.

Alejandro Baca for County Board of Education petitioned board for authority to purchase safe for preservation of documents and papers pertaining to business of said board of education. Petitioner advised that any of said board may see if a suitable safe may be found and advise commissioners at next meeting and they will sanction purchase.

Treasurer directed to apply to District Judge for order to pay off certain indebtedness out of the interest and sinking fund, and to cancel two certain warrants heretofore issued in favor of state treasurer.

Albert Abbott petitioned board to have a bridge erected across Torreon Arroyo near the former Marble place. Petitioner instructed to confer with County Highway Superintendent and report to board at next meeting.

John Ingle made oral petition to the board for permission to close section line common to 15-16-5-8 at the intersection of the sw quarter line. Petitioner advised that he should get a petition signed by the freeholders living in the vicinity stating that said line is not necessary for the travel of the public, and present it at the next meeting of the board.

In the matter of certificates of indebtedness issued to former county officials according to law when there was not money to pay salaries and charges due said officials, ordered by the board that the District Attorney present a petition to the District Judge asking for an order to make a special levy to pay said certificates, there being no money available to pay said certificates. The certificates issued are as follows:

Julius Meyer, sheriff	\$6787.14
Manuel Sanchez Jr., co clerk	869.74
" " dist clerk	626.66
C. J. Amble, co treasurer	157.35

Board adjourned subject to call of chairman.

FAIRVIEW

Special Correspondence.

Last week's items.

Lloyd Davis arrived from Oklahoma Monday to spend the summer with his parents Mr. and Mrs. R. W. Davis.

Nick Holliday and Noah Dye motored over to Albuquerque Saturday.

Mr. Dunn, who sold to Walter Martin last fall and left for Mexico, decided the Estancia valley is the best place yet, has returned and purchased land in the Chapman community.

Van Lane and family are at home from a two weeks visit to his parents at Goodnight, Texas. Van was a cowboy for years on the ranch of his uncle Chas. A. Goodnight, and says the country has changed wonderfully, the ranches having been cut up into farms, and vast fields of maize are growing where cattle used to graze.

Mr. Abbott and family of Estancia were guests of Mr. and Mrs. R. W. Davis Sunday.

Mr. Downey of Mountainair is putting up a residence for the proprietor of Fairview farm.

A fine rain Saturday. Crops are doing fine.

M. E. LADIES' AID

Mrs. Sherwood entertained the Ladies Aid of the M. E. church at her country home on Thursday afternoon. Nine members and three visitors were present. The president opened the meeting with scripture reading and prayer. Among other business transactions the Aid decided to serve lunch on the first day of the fair, also to have a bazaar on December 1st.

The improvement of the church is progressing nicely. Mr. Wells kindly raised \$35.00 among his friends for which the Aid extends to him a vote of thanks and wish more would show the same interest. We appreciate the assistance already given the Aid. After the painting is finished we expect to go on making more needed improvements. We have already expended the sum of about \$100.00.

Two more members were added to our number.

After the conclusion of our business the hostess served delicious refreshments which were enjoyed by Mr. Kemp and Rev. Bretz, who managed to be nearby at refreshment time.

Mrs. Bretz kindly invited the ladies to meet with her on the next regular meeting day at the Sunday school room, quilting to be the order of the day.

MOUNTAINAIR

From the Independent.

The Walker died at the Commercial Hotel last night, after several hemorrhages. Mr. Walker had been a sufferer for some time from tuberculosis, but was apparently improving, being able to do quite a bit of work. Just a few days previous to his death, he was working with a friend, and through friendly rivalry overdid himself, bringing on a hemorrhage. He had a homestead south of town, and not having sufficient team to break out a large acreage, spent part of his time tramping. In searching through his camping outfit for the address of relatives, the undertaker found among other things a well-worn copy of the New Testament, something of a rarity among campers' outfit. The body was held until Tuesday pending advice from relatives, and on their advice was laid to rest in the Mountainair cemetery. A brother and sister at Dumas, Missouri, besides numerous friends here, mourn his demise.

Mrs. Dora Booth, who was confined to her bed by an attack of rheumatism is again able to be up. Len Booth has purchased a one-third interest in Amble's Pharmacy, and will continue to make Mountainair his home.

Dr. E. J. Smith, who recently accepted the position as pharmacist with Amble's Pharmacy, expects to bring his family as soon as he can secure a residence of some kind.

Born, to Mr. and Mrs. R. L. Keithly, Aug. 7, a daughter. To Mr. and Mrs. W. H. Perry, Aug. 8, a daughter.

We are very glad to be able to report much more rain during the past week. On Sunday there was a soaker that covered a large part of the range country in the east central part of the county, also the farming district around Lucy and part of the Cedarvale country. J. W. Walker reports that three inches of rain fell at Lucy. There were heavy rains southwest and west covering large areas, but the showers to the northwest were light and restricted. However, yesterday evening a rain came which must have covered practically the whole county, as it was reported raining from Duran to Torreon at the same time, and this passed to the north, covering the country that so far had been without adequate rains. This rain will improve the bean crop wonderfully, and it is certain that the crop will be much better than anticipated a week ago.

The corn crop will be very light, as in those districts that had not before got sufficient rain the corn was too far advanced for this rain to bring it out. There are a few good cornfields in the valley, but they are scattering. Estancia had .27 of an inch on the 10th, this morning the gauge registered .69. Between times there were light showers registered as traces.

Card of Thanks.

We would endeavor to express our heartfelt thanks to our friends and neighbors who so tenderly assisted us during the last illness and recent death of our loving companion and darling mother.

But words are unable to express our gratitude for each kind deed rendered.

May the protecting hand of the all-wise God ever shelter the homes of each and every one is the earnest prayer of Thos. J. Luther and Children.

SUMMER COMPLAINT.

During the hot weather of the summer months some member of almost every family is likely to be troubled with an unnatural looseness of the bowels, and it is of the greatest importance that this be treated promptly. Which can only be done when the medicine is kept at hand. Mrs. F. F. Scott, Scottsville, N. Y., states, "I first used Chamberlain's Colic and Diarrhoea Remedy as much as five years ago. At that time I had a severe attack of summer complaint and was suffering intense pain. One dose relieved me. Other members of my family have since used it with like results."

STOMACH AND LIVER TROUBLES.

No end of misery and actual suffering is caused by disorders of the stomach and liver, and may be avoided by the use of Chamberlain's Tablets. Give them a trial. They only cost a quarter.
